If the taxing entity's boundaries include more than one county, you must certify the levies to each county. Use a separate form for each county and partify the same levies uniformly to each county and partify the same levies uniformly to each county and partify the same levies uniformly to each county and partify the same levies uniformly to each county and partify the same levies uniformly to each county and partify the same levies uniformly to each county and partify the same levies uniformly to each county.

and certify the same levies uniformly to each county per Article X, Section 3 of the Colorado Constitution.

² Levies must be rounded to <u>three</u> decimal places and revenue must be calculated from the total <u>NET assessed valuation</u> (Line 4 of Form DLG57 on the County Assessor's <u>FINAL</u> certification of valuation).
